 - The University's representative for this region will be contacting us and providing us the names of students who will be attending North Carolina A&T State University from this area. Once we have deadlifts we will prepare a social gathering welcoming these young people into the A&T family. This will most likely take place in the spring.
 - Applebee's Breakfast
 - It was suggested that we have an annual event One proposal was an Applebee's breakfast. This would take place on a Saturday. Members would sell tickets to the breakfast the cost of the tickets will be estimated about \$10 we would make a profit after splitting with Applebee's. Tentative

schedule a timeline of some time in June. Jana Green will be looking into the dates.

- Scholarship (Keith – CoChair, Craig – CoChair)
 - Keith is currently working on a draft of our scholarship application to be ready in the spring. Keep up with some ideas out on the table for the group to discuss openly:
 - Amount of award for scholarship
 - Whether to make it a one time scholarship or have Students be able to apply for it all four years.
 - Scholarship criteria
 - From the discussion an idea of focus was developed. The idea was sort of a scholarship mentorship where we are interested in keeping up with the kids who receive monies for my scholarship fund. Not just cutting them a check and never seeing them again. These students have to make a commitment to team up with us thru open communication. We expect to kick off this fall.
